**בראשית מ"ד, ז':** ויאמרו אליו למה ידבר אדני פְּדָבְרִים הָאֵלֶּה חֲלִילָה לְעַבְדֶּיךָ מַעֲשׂוֹת פְּדָבֵר הַזֶּה:

**רש"י ד"ה חלילה לעבדיך:** חולין הוא לנו, לשון גנאי. ותרגום חס לעבדיך, חס מאת הקב"ה יהי עלינו מעשות זאת והרבה חס ושלום יש בתלמוד בלשון הזה:

**Bereishis 44:7:** And they said to him, "Why should my master say such words as these? Far be it from your servants to do a thing like this!

**Rashi Heading - Far be it from your servants:** Heb. חֲלִילָה it is mundane for us (חולין an expression of disgrace). The Targum renders: חס לעבד: may Hashem spare us, i.e., may the Holy One, blessed be He, save us from doing this. (May He never allow us to do such a thing!) There are many such expressions in the Talmud: חס ושלום G-d forbid.

**Synopsis**

This week's Torah portion, Mikeitz, tells us that Yaakov's children went down to Egypt to procure food during the years of famine. They did not recognize the ruler of Egypt, from whom they received food, but he recognized them. He was none other than their brother Yosef, who they had sold into slavery in Egypt years earlier. He gave them food to bring back to Israel, but he also gave them a warning. They may not come back without their youngest brother, Binyomin.

Their father Yaakov was afraid to send Binyomin, but he ultimately relented and sent him. Yosef again gave them provisions and sent them on their way. However, this time he had someone place his goblet in Binyomin's sack. He (falsely) accused them of stealing his cup. They asked why he should speak such words! Far be it from us (חלילה in Hebrew) to do such a thing. Rashi gives two explanations of the Hebrew word חלילה. One is that the word which the Torah uses is related to the word חולין, meaning mundane. Rashi goes on to say that this word implies something disgraceful. Rashi then cites an explanation from Onkelos, an Aramaic translation of the Torah. He explains the Hebrew word חלילה to mean that Hashem should spare from doing something of this sort.

Earlier, the Torah uses the same Hebrew word in a different context. When Avrohom was pleading with G-d to save the people of Sodom, he used the same word. "Far be it from You to do such a thing," meaning to kill the righteous together with the wicked. There Rashi explains the name as saying that it is "mundane" for You.

## THE RASHI OF THE WEEK

Far be it from You to do such a thing! However, there Rashi does not mention that it is a disgrace. Rashi also does not add the explanation of Onkelos, as he does here. We need to understand why.

The explanation is that there it was talking about Hashem. Hashem will not do something mundane. Here, however, we are talking about people. They are great people; everyone could tell that they were people for whom that which is mundane is considered disgraceful. Hence, they would not steal Yosef's cup. However, it is still not all that clear. He accused them of stealing. Is doing something mundane any worse? Therefore, Rashi adds a second explanation, that they were praying to Hashem; G-d forbid that they should do something of that sort.

### Rashi's Explanation

In this week's Torah Portion, Mikeitz, we are told that Yosef's brothers came to Mitzraim to seek food during the years of famine. They had to deal with their younger brother Yosef to procure food. After they had sold him into slavery in last week's Torah portion, he had become the second in command in all of Egypt. It was he who controlled all of the distribution of food. However, they did not recognize him, yet he knew them<sup>1</sup>. After he sent them on their way, he told them not to return without their youngest brother Binyomin. Their father had not wanted to send Binyomin, fearing for his youngest son's life. However, having no choice but to comply with the ruler's demand, they returned with Binyomin. When Yosef again sent them on their way, he had the overseer of his house hide his goblet in Binyomin's sack. He then had them accused of stealing his property.

The Torah tells us<sup>2</sup> that "they said to him, why should my master speak such words? Far be it (Hebrew חלילה-Chalilah) from your servants to do such a thing." Rashi gives two different explanations for the word "חלילה" - Chalilah' far be it."

In his first explanation, he says that the word "Chalilah" comes from the word "חולין – Chulin<sup>3</sup>" meaning mundane. "It is mundane (unfitting) for us, (the word that the Torah uses is) an expression of disgrace."

For his second explanation, Rashi quotes Onkelus, the classic Aramaic translation/commentary of the Torah. Onkelus says that the word חלילה is related to the Aramaic word "חס – Chas." "The Targum translates it

1. Rashi explains (our Parshah, Bereishis 42:8) that the reason that they did not recognize them was because when they took leave of each other he did not yet have a beard. However, he recognized them because they were older, and they already had beards.

2. Our Parshah, Bereishis 44:7.

3. We find many instances of the word Chullin being used to describe something mundane. For example, sanctified sacrificial meat is described as קדשים or קודש, meaning holy. Meat which has not been sanctified and has not been used for sacrificial purposes is described as חולין. Likewise, we find that weekdays, as opposed to Shabbos and festivals are referred to as ימות החול.

## THE RASHI OF THE WEEK

'הס לעבדיך – May Hashem spare your servants,' may Hashem spare us from doing this. There are many such expressions in the Talmud, such as הס ושלום (May G-d protect us)."

Previously, when Avrohom was pleading with Hashem to save the people of Sodom,<sup>4</sup> he said: "Will You destroy the righteous together with the wicked?" There the expression "חלילה - Chalilah" is also used. Avrohom continues beseeching Hashem, saying<sup>5</sup>; "Chalilah - חלילה Far be it from You to do such a thing." There Rashi explains, "It is mundane (meaning unfitting) for You. They will say that this is His craft ..."

### Difficulties in Understanding Rashi

When the Torah uses the word "Chalilah - חלילה" for the first time, Rashi is satisfied with explaining that it's meaning is that "it is mundane for You." However, in our Torah portion, Rashi goes on to explain that it is an "expression of disgrace."

Moreover, in addition to this, Rashi also quotes Onkelos' translation. If this translation is necessary for us to understand the meaning of the word, why did Rashi not cite it the first time that the Torah used this term.

### The Explanation

The first time the Torah mentions the word "Chalilah - חלילה" is when Avrohom uses it in his plea to Hashem. The term "mundane" cannot apply to G-d. Merely saying that the act of destroying Sodom would be "mundane" means that G-d would not do so; Hashem would never perform such a deed. There is no need to say anything further.

However, in our verse, we are using the word "mundane" regarding human beings. People regularly perform mundane acts. Saying that stealing the cup would be a small act would not persuade Yosef that the brothers would not have taken the cup. They are human beings, and as such, at times, they perform small actions. Therefore, if the point is to clarify to Yosef that they would not have stolen his cup, Rashi must explain that the word "Chalilah - חלילה" as the Torah uses it here has an additional connotation. That is why Rashi found it necessary to tell us that here, the word "Chalilah - חלילה" also means a disgrace. The brothers were declaring their innocence because such a deed would not merely be mundane but disgraceful as well. Even the lowly Egyptians could see this. Everyone saw that Yaakov's sons were honorable people. To them, an action that others consider mundane would be disgraceful.

However, Rashi's comments leave us with a question. We are saying that, according to Rashi, Yosef's brothers were incredibly pious. In other words, they were religious to the extent that a merely mundane activity

would be considered disgraceful in their eyes. However, he is saying that an ordinary act is even more shameful than stealing!

Therefore, to justify themselves and declare their innocence, they would have to state something which would demonstrate that robbery would be out of the question for them. Therefore, Rashi adds a second interpretation. He cites the Aramaic translation of "Chalilah - חלילה" which we find throughout the Talmud. It means "far be it from us." Based on this explanation, the brothers were praying to G-d. They asked that Hashem should have mercy on them and spare them from such horrendous actions.

However, since we do not find the word "Chalilah - חלילה" used in this manner in the Bible at all, Rashi uses this as a second explanation. The fact that Rashi uses two answers is the basis of one of the fundamental rules for the Rebbe's methodology for understanding Rashi. Whenever Rashi gives two answers for something, there is a difficulty in each which is not present in the other. However, the first explanation is closer to Peshat.

### A Deeper Explanation of Rashi

In Torah Ohr, the Alter Rebbe writes<sup>6</sup> that every Jew contains attributes from each of our three patriarchs, Avrohom, Yitzchok and Yaakov. To coin a phrase, we can say that the characteristics of our forefathers are a part of our spiritual DNA.

Contrast this to Yaakov's children, who were the fathers of the "Shevotim," meaning the tribes of Israel. All Jews do not inherit all of their traits. Only their descendants, the members of each respective tribe, inherited their characteristics. The tribe that they belong to determines and marks the differences between the spiritual service of one and another. However, they did bequeath *general* characteristics that were shared by all of Yaakov's children to every Jew.

The claim that "this is mundane, which is an expression which connotes disgrace," is a statement that we cannot attribute to any of the brothers in particular. It came from all of Yaakov's children equally.

A Jew must be aware that *his entire being* is holiness. He and the mundane world exist on totally different planes. The fact that one does need to busy oneself with physical, daily activities should be considered a disgrace in one's eyes.

The disgrace of being engaged in physicality should not remain in the recesses of his soul. It must be evident to everyone, including a gentile from the lowest of all nations, that anything which is not holy is every bit as disgraceful for a Jew as robbery is for someone else.

## THE RASHI OF THE WEEK

The above is all true despite the Torah's command that<sup>7</sup> "six days shall you work and perform all of your labor." We spend the bulk of our time occupied with mundane, weekday activities. Nevertheless, rather than drawing ourselves down to the physical, we elevate the material to transform it into holiness. We can do this as a result of following the guidelines of<sup>8</sup> "all of your deeds shall be for the sake of Heaven," and<sup>9</sup> "in all of your ways you shall know Him."

One may ask how a Jew becomes empowered to be within the physical, mundane world and to deal with it, while at the same time remaining separate from it. How can I be in the world, while at the same time finding mundane activities disgraceful? The answer is that we derive that power from Hashem; the G-dly spark within us, our G-dly soul, empowers us. Creation comes from a level of Divine light that Hashem measures out in a manner that the world can handle it. Nonetheless, this light transcends the world, and this world can never truly grasp it.

Our work within the world transforms it to His "dwelling place." This paves the way for Moshiach. Our work in this world should finally bring "Moshiach Now!"
